		Total		14	8	2	360	20	18			60	60	230	350	350	650	350	700						

Name of the Programme : B Tech Artificial Intelligence   Year of the Programme: Second Year   Semester : III

* Term work = Viva / Presentations / Journals / Assignments / Quizes / MCQs / Business plans / Role plans etc.

syllabus common for B Tech Artificial Intelligence and MBA Tech Artificial Intelligence, can use common question paper.

Technical Communication – The topics included in this 1 credit course requires comprehensive and rigorous continuous assessment to ensure in-depth understanding, including formative (Topic based) and summative (end of unit) assessment that eliminates the need for term end Assessment.

**Community Service - course provides students a real-life hands on experience in the community and sensitizes them towards the societal challenges like poverty, illiteracy, hunger, child labor and inequality.
