

National conference on Emerging Trends in Techno Management System

School of Technology Management and Engineering, Narsee Monjee Institute of Management Studies, Indore organized a *national conference* on Emerging Trends in Techno Management System on **10th April 2021**. Students and research scholars from different places of India participated in the event.

The highlight of the event included the expert talks by Dr. G.S. Tomar, Rajkiya Engineering College, Sonbhadra, Uttar Pradesh, India. Followed by the insightful words of another expert Mr. Shekhar Dhupkar, Data Architect TCS.

The event then witnessed three parallel sessions for the paper presentations. In which around 50 papers were presented by their authors and co-authors on different topics. Dr. Santosh Vishwakarma, Mr. Aakash Sethia and Dr. P.D. Vyavhare were the session chairs of the **Technical, management and science** section respectively. Best paper presentation awards were also given at the end of respective sessions.
