Introduction:

Daan Utsav has been recognized for involving individuals in "acts of giving," which include items like food, clothes, books, etc.

SAMARTHAN has been organizing the Daan Utsav event since 2018, and this time SAMARTHAN has left no stone unturned in ensuring the event's success. It was a well-organized event that collaborated with India's well-known NGO, Goonj, and aimed to urge NMIMS Indore students, teachers, and staff to donate to the noble cause of assisting people suffering from poverty.

Event Highlights:

The event began on October 27 and ran until November 7, giving people weeks to participate and increase donations. All the donations were transferred to Goonj. And this year, a session was also taken by the volunteers from Goonj NGO about what happens with the donations so collected.

Objective and Social Cause:

Daan Utsav is a time when people from all walks of life come together to support those in need and make a significant change in the lives of others.

Event Outcomes:

The Daan Utsav drew enthusiastic involvement from NMIMS students, professors, and staff. The event drew a large number of people eager to provide necessities to those in need. This was a tremendous accomplishment that demonstrates our community's dedication to this essential social cause.

Volunteers and participants:

We'd also like to thank all of the committee members, participants, volunteers, and contributors who stepped up to provide supplies and support this life-development project. Their passion and selflessness have made a significant difference in the lives of those in need.

Conclusion:

The event demonstrated the NMIMS Indore community's unity and generosity. We look forward to continuing to support such worthy causes in the future. Thank you to everyone who helped make this event a success.
