## **Inter-school Debate Competition (Lok Sabha)**

### **INTRODUCTION TO LOK SABHA**

The Lok Sabha is a by-product of the people's mandate expressed through elections and universal adult franchise. It is the central legislative body of the Indian polity, and it has seen a mix of vociferous and reticent speakers, while maintaining its position as the primary forum for debate and discussion on national issues. The political class's anarchist antics have sometimes denigrated it; however, at NMIMS Lok Sabha, we aim to stipulate the Lok Sabha, which emphasizes cooperation over confrontation.

The event will be naturally carried out at a smaller scale, using n number of participants. We plan to find a middle-ground between the intricacies of the procedure of the Lok Sabha and conventional rules of procedure of a Model UN conference so as to ensure a highly substantive and enriching simulation.

### **PROCEDURE:**

2. Opening by Speaker
3. Introduction of bill by the moderator
