

## The Sunday Tech Series Season-III

### Session 01: INTRODUCTION TO MACHINE LEARNING

**Date: 19.06.2022**

**Time: 4:00 pm**

It's our great pleasure to inform you that with the success of Sunday Tech Series Season 1 and Season 2, STME NMIMS Indore conducted first session of "The Sunday Tech Series Season 3" on "Introduction to Machine Learning" on 19th June 2022 at 4 pm.

NMIMS Indore fabricated the concept of Sunday Tech Series to keep people equipped with the knowledge of tech related topics and programming languages. The first two seasons of Sunday Tech Series witnessed large and engaging audience participation with over 500+ registrations. The convener of Sunday Tech Series is Dr. Aaquil Bunglowala, Associate Dean, STME NMIMS Indore.

The session started with an intuitive Q/A round conducted by Ms. Ishita Kale and Ms. Ishita Mandlik, students of B.Tech. CSBS II year STME, NMIMS Indore, with our expert Mr. Rehan Khan, Machine Learning Engineer, Sony India Software Center. Mr. Rehan Khan addressed the doubts of students and told them about the working of graphics in Sony. Rehan sir briefed about his role in Sony as well as the importance and scope of Machine Learning in future.

"Having clarity is very important and you have to be sure of what you have to achieve everyday" as quoted by sir is a very useful advice that we should ponder upon. For the students interested in the emerging fields of Machine Learning, the expert advised to stick to only one field with maximum focus and determination.

The session on "Introduction to Machine Learning" was conducted by session expert Mr. Rishabh Singh Tomar and Mr. Siddhant Jain, students of B.Tech. CSBS III year of STME, NMIMS Indore. The session experts started with the basic introduction to Machine learning and its uses in our lives. They also covered the basics of Naive Bayes with engaging quizzes for the attendees. The participants also learnt how to train an email spam detection model. Overall, the session went really well and all the doubts of the participants were successfully answered.

The comparing for this session was done by Ms. Preet Sadhwani, student of B.Tech. CE II year STME, NMIMS Indore.
